Registration Updates

- LEOs have been entered as events this year in the registration system instead of as an item. Hopefully this makes the registration seamless on chapter adviser's end and reports can be generated easier and more accurately for the event.
- Say YES to FCS signing has been added as an item so this does not require a separate survey link. If your student is going into a FCS Education Program, please add this item to their registration so they can be recognized. I will reach out to advisers when it gets closer with any specific details for the event.
- Power of One completers has been added as an item so this does not require a separate survey link. If your student(s) have completed all 5 Power of One modules, please add this item to their registration so they can be recognized at SLC.
- We will be introducing HONEY the Honeybee at the 2025 SLC. Honey will be available for pre-order as an item with registration. See the flyer for additional details.

Baking & Pastry and Culinary Arts STAR Events

- Due to scheduling conflicts at the NICHE, we will be holding our event at Campus High School this year. A big thanks to their administration for their willingness to host our contest.
- Taylor Spangler will be serving as the Lead Consultant for both events. Taylor and I will work to finalize specifics and schedules for the event. We will be able to slots for a greater number of students than we have had in the past. Scheduling and specifics of the day will be sent out following the STAR Event Entry deadline of February 22. Please let Shandi know if you have any questions.
- Menus and event details are posted on the website.

STAR Events

- Updates have been made to the STAR Events manual as they have had some edits along the way. Be sure you are looking at the most up to date event guidelines as you prepare for State.
- Kansas is able to send 2 entries from each event at each level to Nationals. Participants must receive a score of 85 or higher to advance.
- As a pilot this year, Kansas is able to send 3 entries from each of the events at each level for the events listed below. Participants must still receive a score of 85 or higher to advance.
 - Job Interview
 - Leadership
 - Say Yes to FCS Education
 - Sustainability Challenge
 - Teach or Train

Alumni & Associates

- A&A will have their Merc table set up during SLC. Look for great merchandise at the event!
- New this year, A&A will have SLC themed shirts. These will only be available with registration. Check out the flyer for details.

Foundation Event

- The Kansas FCCLA Educational Foundation usually hosts an event on Sunday evening. They will this year as well, but are changing it up a little this year. Themed around the Student Body National Program, the Foundation will be holding the event at the YMCA. Check out the flyer for details. The space is closed to the public and will only be available to FCCLA.

Monday Night Entertainment

- Monday Night's event will be held at Chicken N Pickle again this year.
- The space is closed to the public this year so it will be FCCLA in attendance. Check out the flyer for details and make plans to attend!
