

2024-2025 Kansas Community Service Project

As the world around us changes more and more people to help keep it moving in a positive direction. Throughout this year through the Kansas Community Service Project, you have the chance to work with others to help Protect the Ohana

Ohana is a Hawaiian word for family

As members of FCCLA our central focus is family. In our organization we value families in our communities. Represent FCCLA in your community by changing it for the better. So go out and do something in your community that helps others.

Post your Acts of Service!

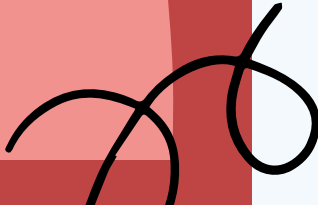

@kansasfccla
